The days go before our eyes;
yet we don't even think
of them as days we are losing.
The world is being pressed in
our hands
But today there are bells
and assignments ...
A few minutes of quiet
between classes.
Concentration
Relaxation

Our eyes see so much
that is our today
But will soon be our yesterday.
"Time flows on within
and without you"
We mature
We learn
Then we leave
to reach
for something more.

We, the staff of the Warrior, present the 1970-71 school year to you.

We the members of the 1970-71 Warrior Staff
dedicate this edition of the WARRIOR to

MIGNON AND DALE SANDER,

Many years of dedication were in their teaching
careers. Now as they retire from teaching, we, the
staff, would like to pay them one last small tribute.

ADMINISTRATION AND FACULTY

FAIRVIEW SALUTES TWO

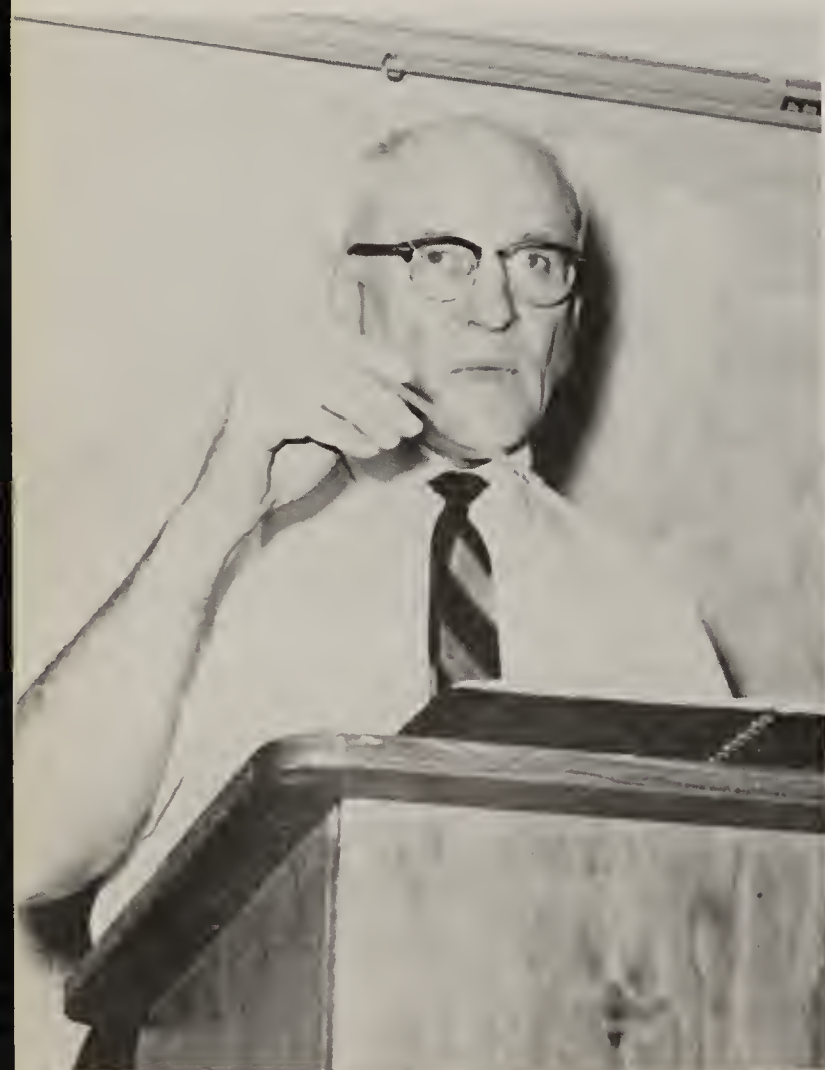

MR. DALE SANDER
Geography, W. History, Econ.
and Sociology.

Mr. Sander graduated from high school at Madrid, Iowa. He attended Palmer Jr. College at Albany, Missouri. He taught for two years at Hopkins, Missouri. For the next two years, he attended Drake University at Des Moines, Iowa.

Mr. Sander enrolled at Elon College in North Carolina where he served as student football coach. He then taught at Winston-Salem, North Carolina. It was at this time Mr. Sander decided to go into the ministry. He then served three years in a church in Reedville, North Carolina.

In 1936, Mr. Sander was appointed as principal at the Washington Twp. School in Ney. He served in this position until 1958. In 1958 Mr. Sander was appointed as assistant superintendent and guidance counselor at Fairview High School. In 1968 Mr. Sander requested to return to full time teaching and turned the guidance responsibilities over to Mr. Mountz.

Mr. Sanders comments were: "The greatest rewards in teaching are realized when a teacher becomes aware of the achievements of his former students, Youth has been a part of our lives and it has been a joy to watch them grow. I will miss the associations with the student body and the many activities of the school program. I will ever be grateful to the fine relationship with both the administration and faculty which has made working in the system a very pleasant experience. As for the future, I have many hobbies and I am not concerned about having too much time on my hands."

DEDICATED TEACHERS

Mrs. Sander was born in Meron, Indiana, where her parents were both college professors. After graduation from the eighth grade, she moved to Albany, Missouri, where she graduated from high school and attended college. Her final year of college was completed at Defiance College.

Mrs. Sander says "education" has been our way of life. She went on to state: "It has been a most rewarding career and if the time comes when I'll live in the past, then I'll have a future to enjoy. Many have asked if I intend to travel now and do all the things I wanted to do but didn't have the time to do. My answer - we've always traveled and I've always done all the things I wanted to do - paint, handcrafts, worked in the church and community, so I intend to go right on living a full life, but probably not by the clock. I never dreaded a day of school, and this has been possible because of my work with a fine administration and a fine group of teachers. This would not be complete unless I also gave credit to youth, and the majority of them have earned my respect and admiration. I'm most pleased that I chose teaching as my career."

Mr. Jones' statements relative to Mr. and Mrs. Sander were: "Our school system has been better because of the many contributions Mr. and Mrs. Sander have made to it. They have been loyal dedicated teachers with a sincere interest in the welfare of our students. At no time have they placed their personal welfare ahead of the school system. They are fine people and both can feel their jobs have been well done."

SUPERINTENDENT

HEAP BIG POW-WOW IN THE CHIEF'S WIGWAM!
Mr. Breisinger, Mrs. Schulte, Supt. Darrell Jones (Chief), and Alice Sims.

Mr. Smith, otherwise known as Central Local's "Dear Abby," serves coffee to his No. 1 speech topic, Mr. Jones.

Concern and sincerity have helped Mr. Darrell Jones succeed in accomplishing his goals for the Central Local School District. Consulting with the Board of Education on ever-present problems, offering aid and advice to students, and taking pride in school activities are fitted into his active schedule.

Perplexed students feel welcome in Mr. Jones's office as he explains the curriculum and discusses school policies freely.

Mr. Jones also demonstrates the fine Apache spirit in our community which makes us very proud to have him as Superintendent.

The students of FHS gratefully acknowledge the unselfish time and effort Mr. Jones has given to make our school a success.

PRINCIPAL

"Now let me think here a minute."

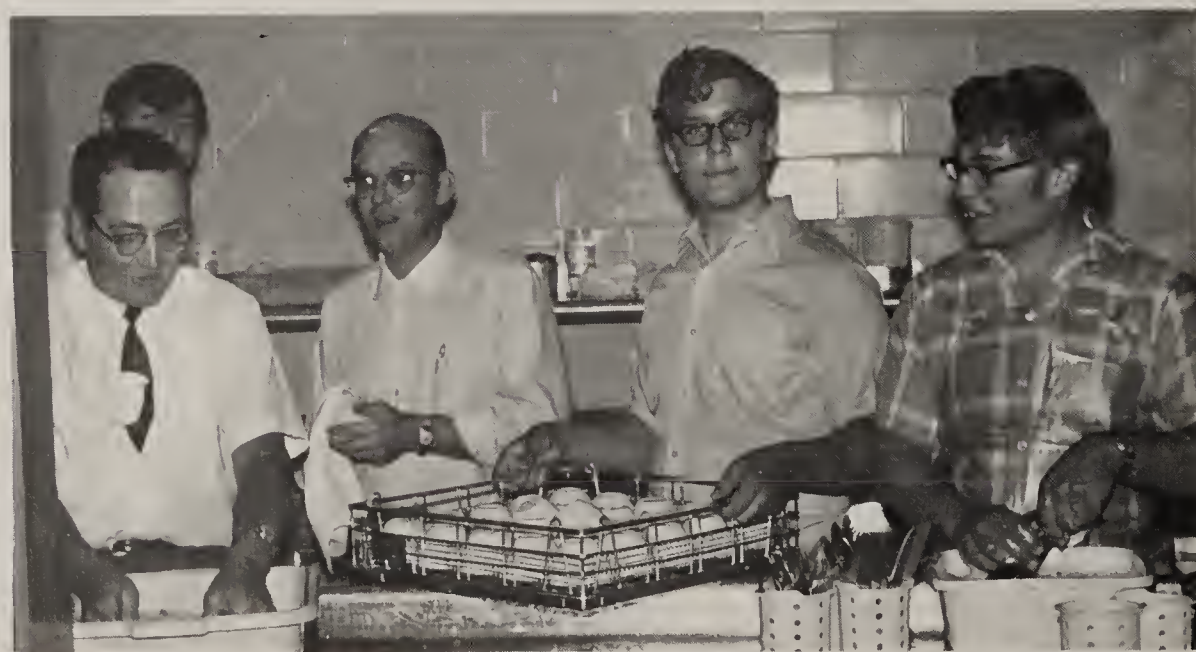

"Oh, happy day!"

Mr. Breisinger, with his outstanding qualities of congeniality, willing cooperation and interest, is able to accomplish the complex task of coordinating the diversified units which make up Fairview High School. As the educational head of learning institution, the principal must supervise the instructional program and work with groups such as the Music and Athletic Boosters. He demonstrates the Apache spirit as a representative of the administration at school events. With his continually reaffirmed interest in students and his "tell it like is" attitude, Mr. Robert W. Breisinger measures up to the demand of the principal job.

In Memoriam

*There's an open gate
at the end of the road
Through which each must go alone,
And there, in a light we cannot see,
Our Father claims His own;
Beyond the gate your loved one
Finds happiness and rest.
And there is comfort in the thought
That a loving God knows best.*

VARSITY CLUB

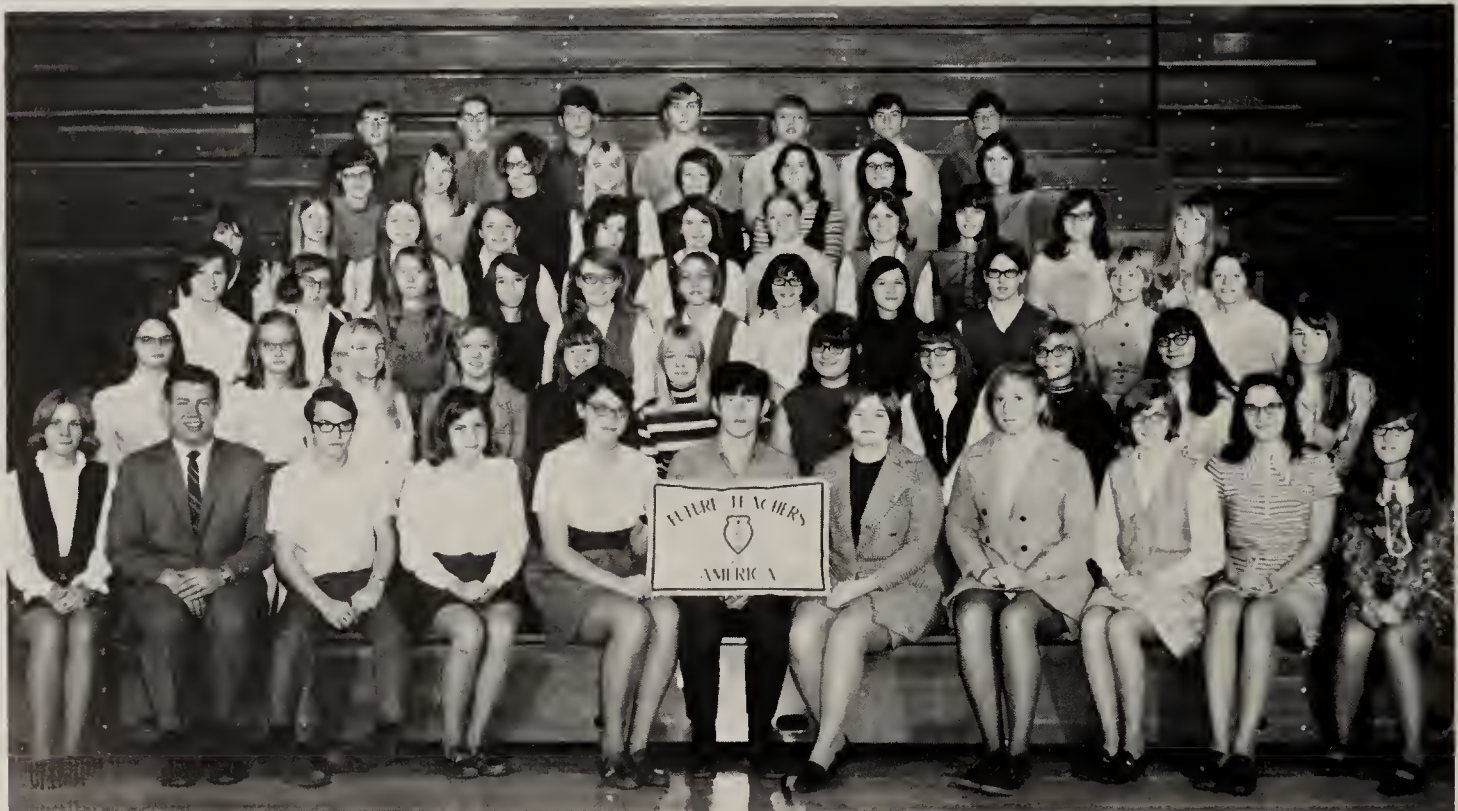

The Varsity Club through public service projects; such as its clean-up day and aiding WOWO penny pitch, attempts to associate the benefits of athletics to the community. This year the club has participated in the WOWO penny pitch, sold mums, sold FV badges, and participated in a clean-up day.

Next year the plans call for expanded fund raising projects which it is hoped will enable the club to initiate new worthwhile projects.

FUTURE TEACHERS OF AMERICA

This year under the capable leadership of Mr. Mountz, advisor, and Bruce Heater, President, the FTA made enough money to help the community by selling badges during football season, and ribbons during basketball season.

For the school they gave Mrs. Johns \$50.00 which she supplemented with book dividends to purchase \$100.00 worth of books for the library. For the community they purchased a campership for Gail Manisfield so she could attend Camp Little Indian, a summer camp for retarded children.

The FTA also helped at the Science Fair at Ney. They typed and distributed awards to contestants. In April the FTA spent an afternoon on a state project for Mr. Jones.

GAA ACTION!

Gaa is an organization for young women who don't consider it unlady-like to be athletic. Besides weekly Tuesday night meetings there were volleyball, basketball, and track teams.

Under the supervision of the Seniors and the encouragement of the upperclassmen, the Frosh went through a blazing initiation the thirteenth of October.

The point system was revised so that it was possible for a girl to receive more than one award. The Junior award was revised by the officers to a Gaa Pin.

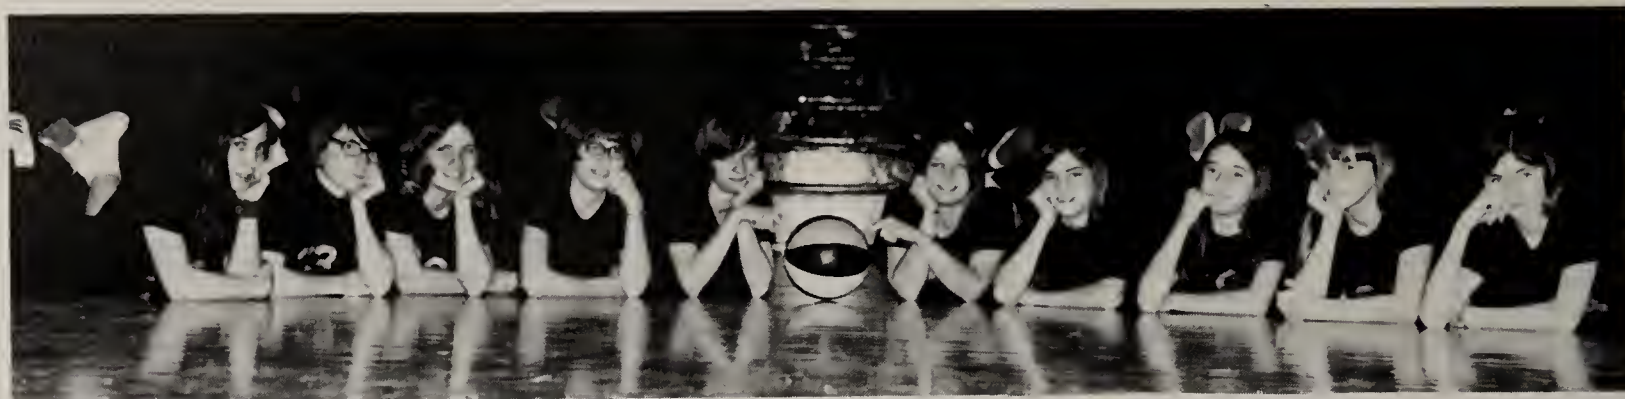

Gaa events for the year were the Christmas party, a roller skating party, slave month, plus a trash pick-up contest against the Varsity Club, and two co-ed track meets.

The 1970-71 Warrior WarWhoop staff was conducted as an informal class. There were about fifteen girls responsible for putting the WarWhoop together. Besides just working, the staff held an ice-skating party at Goller's pond, and participated in a workshop at Bowling Green University. Kay Hanna and Donna Foust were sent to a workshop at Ohio University a week to learn techniques in organizing a school yearbook and paper.

CALAMITY JANE

Calamity Jane was the stage production presented by the Fairview Band and Chorus. The musical played to a responsive crowd for a two-night stand, April 16 and 17. Calamity Jane was a comedy about the true-life adventures of Wild Bill Hickcock and Calamity Jane.

The play was directed by Mrs. June Schulte with Mr. Dean Edwards assisting. Mr. Herroon conducted the band throughout the entire production.

Much hard work and patience went into the making of this musical production, and we thank all who helped make Calamity Jane the huge success it was.

DRAMATICS

You Can't Take It With You and Erasmus - With Freckles were the production staged by the Fairview Drama Class during the 1970-71 school year. Both of the plays were comedies.

Three or four students carried the major parts: Bruce Heater, Darlene Caryer, John Jacob, Connie Haver, and Pat Wheeler. But the success of both productions grew out of a spirit of cooperation and hard work by the individual members of the class. Plays are as good as the combined efforts of the whole, and the manner in which the audience received the plays indicates the class effort was not in vain.

CHORUS NO. 1

This year was an exciting one for the Apache Chorus. The first half of the year was engaged in the usual reorganization and training period but after December the chorus found themselves in high gear. There were 97 members involved in District 1 Solo and Ensemble Contest at Bowling Green, finishing with a total of 59 State medals. In March, 95 members went to the larger group District 1 competition and came home with the first Superior rating in the history of Central Local and Fairview High School which entitled them to go on to State Competition. The next few weeks were hectic with the musical practice of Calamity Jane and preparing for State. April 24th was the big day - State competition at Clyde, Ohio. The results of that day are now history - with 3 straight ones. The State Plaque is proudly displayed in the Fairview High School trophy case. It was a rewarding year for the chorus and a long sought-after goal for the director June Schulte.

POPULAR BAND AT POPULAR PLACES.

The band represented Fairview High School at many places and events throughout this year. During the summer they marched in many parades and events around the area. They played at area ice cream socials and town homecomings. Our band marched at Cedar Point, providing entertainment for many. Afterwards, they were given tickets for the rides as their payment. The Defiance County Fair provided a challenge as always and a second place trophy was brought home from the Defiance College Homecoming. The marching band played at all of the home football games and backed our boys at many of the away games.

The pep band furnished music for half-times and between games during the basketball season. The Stardusters played at the Hilltop High School Basketball Homecoming, the Montpelier Prom, the Athletic Banquet, and the Farm Bureau conference.

The three most outstanding events of the year were; the concert given May 11th, providing background music for the musical, "Calamity Jane," and being invited to the International Freedom Festival Parade in Windsor, Canada.

RUNNERS STILL IMPROVING

The 1970 Cross Country Team finished their season with a 14 and 10 record. They finished fourth in the Green Meadows Conference. Four seniors will be absent from next year's squad. They are: Bob Suffel, Greg Brenner, Steve Sims and Jim Guilford. There will be four lettermen returning to carry the colors for Fairview. Bruce Berenyi, Gary Crites, Tom Bashor, and Denny Sims. These men will provide a sound nucleus for the coming season.

Bob Suffel received a trophy for posting the 10th fastest time in the conference meets. He was also Fairview's most valuable runner.

Tom Bashor was selected as this year's most improved runner.

The Apaches won their first league championship with a resounding 38-6 win over Payne. Fairview completely dominated their league with the exception of a thrilling come-from-behind 12-12 tie with Hicksville. The Apaches outscored their opponents 140-42. In local newspaper standings Fairview finished fourth offensively and third defensively, behind such teams as Napoleon, who was undefeated, and Archbold who was 8 and 1.

One of Fairview's losses came in the last 30 seconds of the Delta game, with the Panthers edging the Apaches 26-22. The other loss was a disappointing first home field and Homecoming game to Otsego, 20-14.

Brent Maugel received the award as the team's Most Improved Player. Bruce Berenyi was the Most Valuable Player, and Greg Brenner was the Best Defensive Player. Chad Peter received the Best Mental Attitude award.

RESERVES, PRACTICE MAKES PERFECT

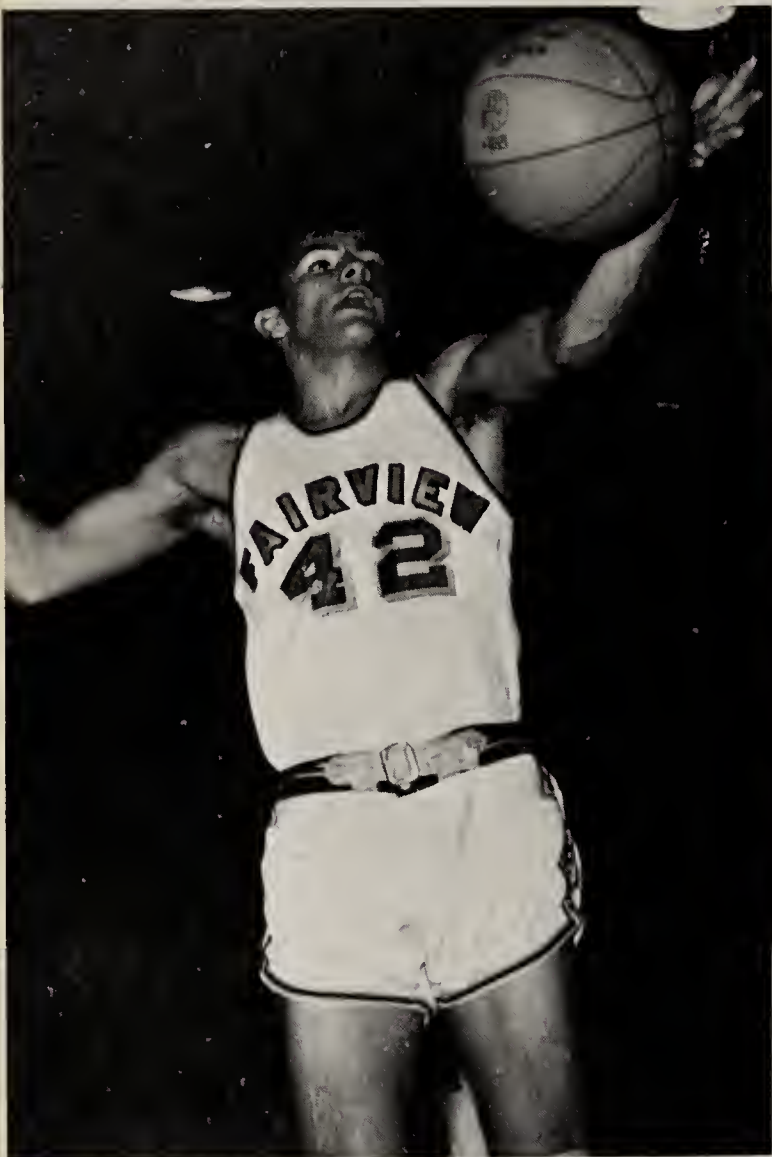

The Reserve basketball team finished their season with 12 wins and 6 losses, winning their last 9 straight. The team showed vast improvement as the season progressed. By midseason the team was playing as a unit and gaining confidence with every game. The team showed more desire and determination as time went on, which was the key to their success.

Gary Crites was the leading scorer for the season with 183 points for a 13 point per game average. Ed Walters was second with 172, and Tom Hubbard added 118 for the year.

Ed Appel led the team in rebounds with 150 for the year.

SENIORS LEAD THE WAY

Our determined fighting Apache Wrestlers had a great 11-1 season. It was four seniors who sparked the way, in both enthusiasm and in scoring. Bob Suffel, Paul Baerlin, Pat Stuckey, and Tony Petrone were all undefeated going into the last match of the season with Defiance. Pat Stuckey was the only grappler to overcome the Bulldogs' ferocious bite and finish the season undefeated with a 14-0 record. All four seniors won gold medals at Napoleon's annual gold medal tournament. These four seniors also contributed 176 of the team's 493 total points.

Bob Suffel came closer to the state tournament than any other previous Fairview wrestler. Bob was beaten in an overtime by a referee's decision. Had Bob won, he would have advanced to state.

F.V. COACHES

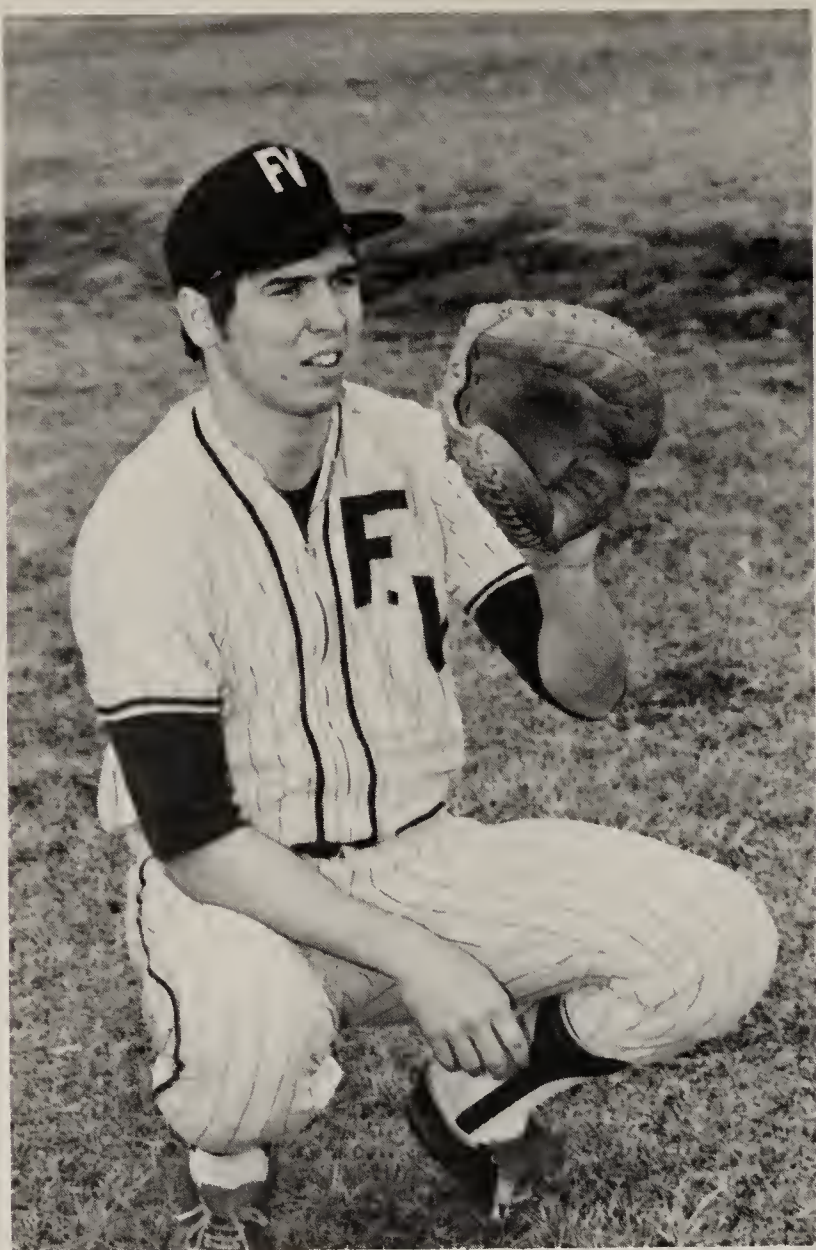

The baseball team did not have the winning season that was expected of them as they finished with a 12-15 record. They were also unsuccessful in defending the Green Meadows conference championship. Their conference record was 4-3 which placed them fourth in the final standings.

Even though the team did not enjoy much success, several players improved their individual play from last year. Scott Hemenway and Bruce Berenyi were the leading hitters with averages of .393 and .382 respectively. Hemenway led in runs batted in with 26, and Steve Roberts led in stolen bases with 10. Hemenway's following by Les Chafin with 2.33.

This year's reserve baseball team showed plenty of hitting power as they averaged eight runs per contest. Their record of three wins and six losses could have been much better with fewer errors in the field and more consistent pitching. Sophomore Doug Morrison led the hitters with a .400 average while Freshman Joe Jerger led in runs-batted-in with eleven.

WORK PAYS OFF

The Fairview Cindermen ended their year with 6 wins and 5 losses in dual meet competition. At the beginning of the season it did not look as though they would win a single track meet, but hard work paid off and the thinclads made winners of themselves. At the end of the season they took a third in the league meet and sent two boys on to the district meet.

The team will have four hard to replace seniors graduating this year. They are Mike Bashor, Steve Sims, Dan Thomas, and team captain Marv Bergman. These boys have contributed not only points to the track team, but also moral support to the underclassmen of the team.

GERALD HANNA; No. 1 Discus Hurdler and Shot Putter.

THANK YOU

As 1970-71 Cheerleaders of Fairview High, we tried our best to devote our time equally to each sport. The effort, finance, sweat, and tears sometimes caused us to wonder whether it was worth it. But as we grow older, graduate, and move away all we can do is look at these few pictures and remember the "good times" - knowing we can never really recapture them as they truly were, and never really be able to thank you, the student body, enough for them.

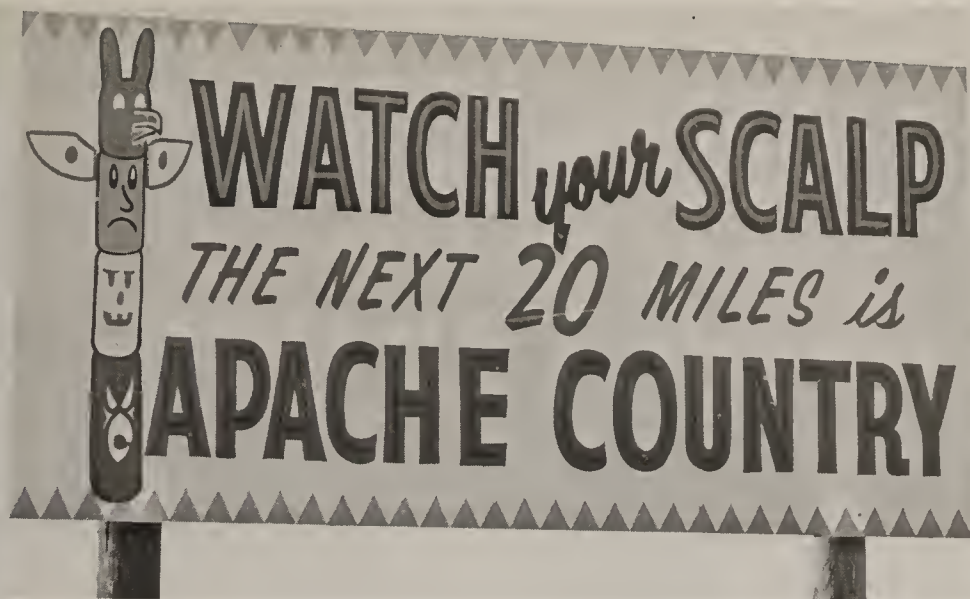

D. Caryer takes down net the night of sectional championship.

What would we have done without our ever-coordinated seniors?

Remember the night our sign was stolen?
